Numonics Corporation Announces National Agreement with Safety Solutions Inc. to Represent EASYBOARD® Interactive Whiteboard

November 30, 2011, Montgomeryville, PA– “Safety Solutions Inc. of Boynton Beach, Florida has become an authorized reseller of Numonics EASYBOARD interactive whiteboard and INTELLISLATE remote RF tablet to enhance their world class training classes,” stated Alfred N. Basilicato President and CEO of Numonics Corporation. “Safety Solutions is the acknowledged leader in providing emergency response, technology assessment, and training around the world and we are enthusiastic about this new relationship. Safety Solutions has installed Easyboards in their training facilities and have incorporated the product into their trade show booth for national exposure,” Basilicato continued.

According to Michael T. Reimer, CEO of Safety Solutions, Inc. the company is based on the principles of hard work, integrity and dedication. Our reputation has been built on our promise to provide superior customer service. As a part of our steadfast commitment, we remain abreast of new trends and technology. Our customers and clients number more than 18,000 - including many of the Fortune 500 companies - representing a wide range of industries, including transportation, distribution, manufacturing, construction, emergency response, military, and more.

“Numonics introduced the world’s first interactive whiteboard utilizing pen based technology in 1994 and contributed to the digital revolution that has taken place in classrooms and training centers across the globe. Adding Safety Solutions, Inc. as an authorized reseller will expand our sales efforts into the Police, Fire and Emergency Services markets,” stated Tom Harwick, Numonics Sales Manager of Numonics.
