

Take 2 DS Pen Option Program

Program Summary

At the time of purchase of an interactive whiteboard, a customer may elect to purchase a second DS Pen for the nominal cost of \$49.95, with a limit of one (1) additional pen per whiteboard.

The DS Pen uses replaceable AAA batteries, so it does not need to be charged.

The Take 2 Pen Option Program represents a \$30 discount on the robust DS Pen or 37.5% off the suggested retail price. Acquiring a second DS Pen has never been easier or more cost effective. Simply make note that you would like to purchase a second pen for \$49.95 when placing your order for a Numonics interactive whiteboard.
