

Britannica 2010 Ultimate Reference DVD

*Encyclopædia Britannica's
best-selling software!*

With more than 100,000 articles, the *2010 Ultimate Reference DVD* has more content than any other reference software! Owning this software is like having a complete reference library right at your fingertips. With three complete encyclopedias, two dictionaries and thesauruses, the Spanish-English Translation dictionary, rich multimedia, interactive article and media tours, homework tools, a complete atlas, timelines, online magazines, and more, the *2010 Ultimate Reference DVD* is the knowledge you need from the world's most trusted source. Plus, as an added bonus you get a 1 year free trial to *Encyclopædia Britannica Online!*

Encyclopædia Britannica

Access the world's most trusted and authoritative information, featuring over 100,000 articles from the 32-volume Encyclopædia Britannica print set.

Britannica Student Encyclopedia

Find information easily in almost 16,000 entries that are tailored to school subjects.

Britannica Elementary Encyclopedia

Instill a look-it-up habit that will stay with students in school and in life.

Book of the Year

Explore notable events in over 11,000 articles covering science, politics, sports, and more from 1993 - 2008.

Homework Helpdesk

A collection of useful homework resources including a video subject browse, online learning games and activities, online subject spotlights, and how-to documents on topics such as writing a book review.

Learning Games and Activities

Hundreds of fun and interactive games and activities to help students with subjects like Math, Science, and Social Studies.

Two Complete Dictionaries and Thesauruses from Merriam-Webster®

Together, Merriam-Webster's Collegiate® and Student Dictionaries and Thesauruses provide access to 405,000 definitions, synonyms and antonyms.

Merriam-Webster's Spanish-English Translation Dictionary

Translate an English word to Spanish and a Spanish word to English with the click of the mouse.

World Atlas

Take a tour of the world through more than 2,700 maps linked to articles about countries, economies, cultures, and national statistics.

Timelines

Watch history unfold with timelines that show the people, events, and discoveries of the past.

Britannica BrainStormer

Discover new ideas and relationships between topics with this interactive tool.

Britannica Classics

Read articles from Britannica's most famous contributors—from Sigmund Freud to Harry Houdini, Marie Curie to Orville Wright.

Explore

Easily browse through Videos, Britannica Classics, Classical Music, and more.

NEW! Britannica Biographies: Heroes & Villains

Over 600 biographies covering the world's heroes and villains throughout time.

Virtual Notecards

Take and save notes from your articles on a virtual notecard. Notes are printable, which makes your research easier, more productive, and portable.

Britannica Workspace

Save articles, images, video, and more in one convenient location to help keep your research organized.

Rich Multimedia

View vivid illustrations with 35,000 images, video, and audio that bring fascinating topics to life.

Additional Videos, Web Links, and Magazines Online

Link to 166,000 sites you can trust—selected by Britannica editors—plus links to thousands of videos and magazines for a wealth of additional information.
