

Working with RM Easiteach

If you received RM Easiteach with your product, you'll get 32 lessons for grades K-7 when you install the software. Launch your RM Easiteach software and go to File/Open/Starter Pack.

We're excited about our most recent promotion: one **free** toolbar of your choice. To get your free toolbar email the serial number of your board to melissaw@numonics.com. To learn to use the toolbars, go to <http://www.rmeducation.com/shops/rmusa/Range.aspx?nguid=1d21900c-02af-49ef-bb96-a39375ad1b91> to view a training schedule. Please contact Melissa at 1-800-523-6716 X157 for more information.

You can view demonstrations of the various toolbars at <http://www.rmeducation.com/shops/rmusa/Range.aspx?nguid=b37dd642-0e50-403c-a2d5-0ac6559342cd>. Please contact Melissa at 1-800-523-6716 X157 for more information.

RM also offers free lesson plans for grade K-7, available for download from their website at <http://www.rmeducation.com/shops/rmusa/content/view.aspx?cref=PSGEN1667872>

Learning Alive is a website designed specially for primary and secondary school pupils and their teachers. It's there for you to have fun and assist in filling your brain with useful and interesting information. http://www.learningalive.co.uk/t_resources_results.aspx?prod=137&type=2
