

## Where to Get Help for Intellislate

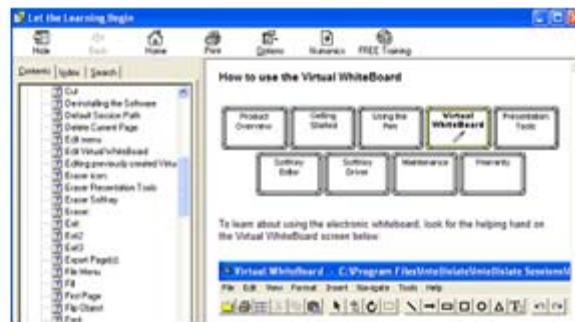

Having problems or maybe need a few refreshers? Have no fear. There's plenty of help right at your fingertips.

You can call 1-800-523-6716 Monday thru Friday between 8:30 and 5:30 Eastern Time and ask for the web trainer or technical support.

Launch your virtual whiteboard application and use the Help drop-down menu. Click Contents

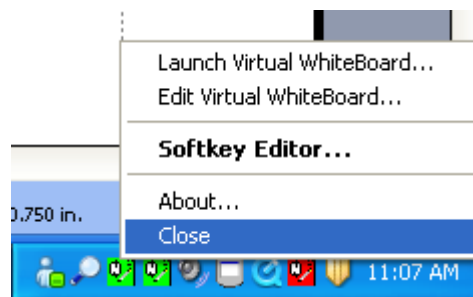

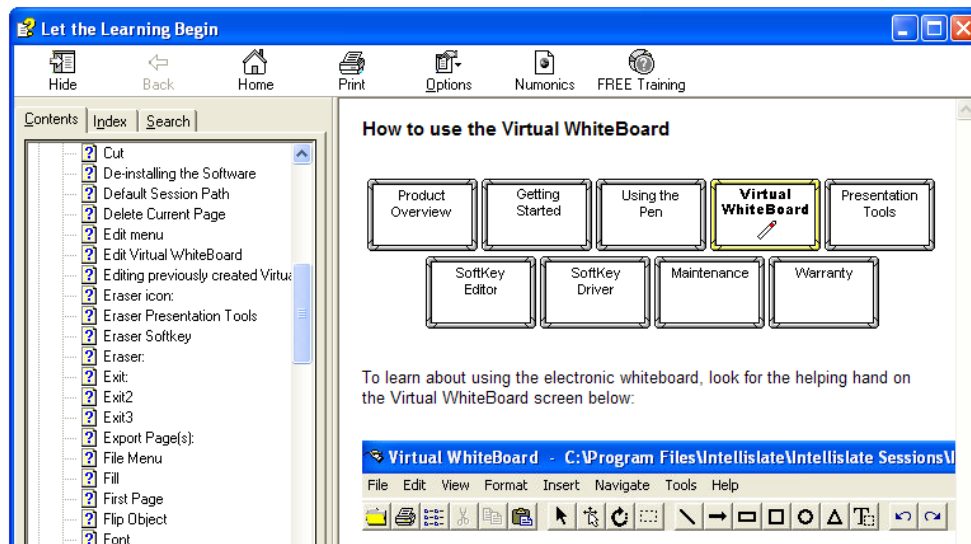

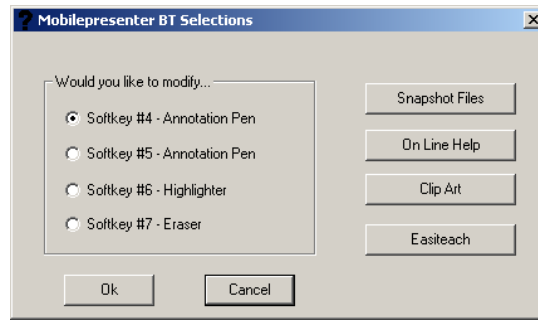

Use the index or type in a Search query.

Select the How to Use Virtual Whiteboard topic and then hover your cursor over the toolbar icons for a description of each tool.

Right click the Numonics Intellislate icon in your system tray and select Softkey Editor. Then click the On-Line Help button.

Or, click the **?** Softkey on the Intellistate and choose On-Line Help
