

Where to Get Help for Intelliboard

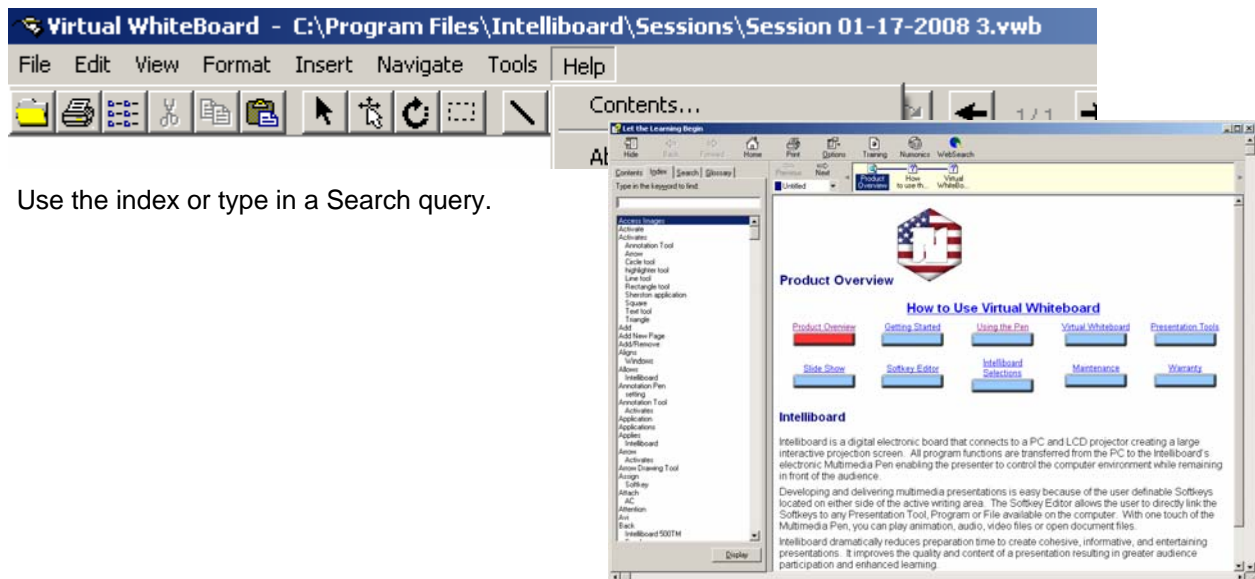

Having problems or maybe need a few refreshers? Have no fear. There's plenty of help right at your fingertips.

You can call 1-800-523-6716 Monday thru Friday between 8:30 and 5:30 Eastern Time and ask for the web trainer or technical support.

You also have help files that were installed with your software. Click the Start button in the bottom left corner of your screen, click Programs / Intelliboard / User Guide. You can access and print the user guide in either .doc or .pdf format.

Or launch your virtual whiteboard application and use the Help drop-down menu. Click Contents

Use the index or type in a Search query.
