

### Working with RM Easiteach

If you received RM Easiteach with your product, you'll get 32 lessons for grades K-7 when you install the software. Launch your RM Easiteach software and go to File/Open/Starter Pack.

We're excited about our most recent promotion: one **free** toolbar of your choice. To get your free toolbar just attend free web training with RM Education. Go to <http://www.rmeducation.com/rmeasiteach/webinar> to view a training schedule; then email [Numonics@rmeducation.com](mailto:Numonics@rmeducation.com) with a day and time request. Please contact Melissa at 1-800-523-6716 X157 for more information.

You can view demonstrations of the various toolbars at <http://www.rmeducation.com/sales/presentations>. Please contact Melissa at 1-800-523-6716 X157 for more information.

You may wish to view RM's Educational videos at <http://www.rmeducation.com/sales/presentations>.

RM also offers over 250 free lesson plans for grade K-7, available for download from their website at <http://www.easiteach.com/visitors/examples/users/lessonlist.htm>

Learning Alive is a website designed specially for primary and secondary school pupils and their teachers. It's there for you to have fun and assist in filling your brain with useful and interesting information.
